NOTICE OF PRIVACY POLICIES • P. ROBERT MITCHELL, M.D., P.A.

As Required by the Privacy Regulations Created as a Result of the Health Insurance Portability and Accountability Act of 1996 (HIPAA)

THIS NOTICE DESCRIBES HOW HEALTH INFORMATION ABOUT YOU (AS A PATIENT OF P. ROBERT MITCHELL, M.D.) MAY BE USED AND DISCLOSED, AND HOW YOU CAN GET ACCESS TO YOUR INDIVIDUALLY IDENTIFIABLE HEALTH INFORMATION.

PLEASE REVIEW THIS NOTICE CAREFULLY.

A. OUR COMMITMENT TO YOUR PRIVACY

Our practice is dedicated to maintaining the privacy of your individually identifiable health information (IIHI). In conducting our business, we will create records regarding you and the treatment and services we provide to you. We are required by law to maintain the confidentiality of health information that identifies you. We also are required by law to provide you with this notice of our legal duties and the privacy practices that we maintain in our practice concerning your IIHI. By federal and state law, we must follow the terms of the notice of privacy practices that we have in effect at the time.

We realized that these laws are complicated, but we must provide you with the following important information:

- How we may use and disclose your IIHI
- Your privacy rights in your IIHI
- Our obligations concerning the use and disclosure of your IIHI

The terms of this notice apply to all records containing your IIHI that are created or retained by our practice. We reserve the right to revise or amend this Notice of Privacy Practices. Any revision or amendment to this notice will be effective for all of your records that our practice has created or maintained in the past, and for any of your records that we may create or maintain in the future. Our practice will post a copy of our current Notice in our offices in a visible location at all times, and you may request a copy of our most current Notice at any time.

B. IF YOU HAVE QUESTIONS ABOUT THIS NOTICE, PLEASE CONTACT:

Privacy Officer, 780 Canton Road, Marietta, GA, 30060, (770-427-0171).

C. WE MAY USE AND DISCLOSE YOUR INDIVIDUALLY IDENTIFIABLE HEALTH INFORMATION (IHII) IN THE FOLLOWING WAYS

The following categories describe the different ways in which we may use and disclose your IIHI.

1. Treatment. Our practice may use your IHII to treat you. For example, we may ask you to have laboratory tests (such as blood or urine tests), and we may use the results to help us reach a diagnosis. We might use your IIHI in order to write a prescription for you, or we might disclose your IIHI to a pharmacy when we order a prescription for you. May of the people who work for our practice – including, but not limited to, our doctors and nurses – may use or disclose your IIHI in order to treat you or to assist others in your treatment. Additionally, we may disclose your IIHI to others who may assist in your care, such as your spouse, children or parents. Finally, we may also disclose your IIHI to other health care providers for purposes related to your treatment.

2. **Payment.** Our practice may use or disclose your IIHI in order to bill and collect payment for the services and items you may receive from us. For example, we may contact your health insurer to certify that you are eligible for benefits (and for what range of benefits), and we may provide your insurer with details regarding your treatment to determine if your insurer will cover, or pay for, your treatment. We also may use and disclose your IIHI to obtain payment from third parties that may be responsible for such costs, such as family members. Also, we may use your IIHI to bill you directly for services and items. We may disclose your IIHI to other health care providers and entities to assist in their billing and collection efforts.

3. **Health Care Operation.** Our practice may use and disclose your IIHI to operate our business. As examples of the ways in which we may use and disclose your information for our operations, our practice may use your IIHI to evaluate the quality of care you received from us, or to conduct cost-management and business planning activities for our practice. We may disclose your IIHI to other health care providers and entities to assist in their health care operations.

4. **Appointment Reminders.** Our practice may use and disclose your IIHI to contact you and remind you of an appointment.

6. **Health-Related Benefits and Services.** Our practice may use and disclose your IIHI to inform you of health-related benefits or services that may be of interest to you.

7. **Release of Information to Family/Friends.** Our practice may release your IIHI to a friend or family member that is involved in your care, or who assists in taking care of you. For example, a parent or guardian may ask that a babysitter take their child to the pediatrician's office for treatment of a cold. In this example, the babysitter may have access to the child's medical information.

8. **Disclosures Required By Law.** Our practice will use and disclose your IIHI when we are required to do so by federal, state or local law.

5. Accounting of Disclosures. All of our patients have the right to request an “accounting of disclosures.” An “accounting of disclosures” is a list of certain non-routine disclosures our practice has made of your IIHI for non-treatment, non-payment or non-operations purposes. Use of your IIHI as part of the routine patient care in our practice is not required to be documented. For example, the doctor sharing information with the nurse; or the billing department using your information to file your insurance claim.
